

# Suicidal Tendencies, Suicide's An Alternative/You

Sick of people - no ones real  
Sick of chicks - they're all bitches  
Sick of you - you're too hip  
Sick of life - it sucks  
Suicide's an alternative  
Sick of trying - what's the point  
Sick of talking - no one listens  
Sick of listening - it's all lies  
Sick of thinking - just end up confused  
Sick of moving - never get no where  
Sick of myself - don't wanna live  
Sick and tired - and no one cares  
Sick of life - it sucks  
Sick of politics - for the rich  
Sick of power - only oppresses  
Sick of government - full of tyrants  
Sick of school - total brainwash  
Sick of music - top 40 sucks  
Sick of myself - don't wanna live  
Sick and tired - and no one cares  
Sick of life - it sucks  
Suicide's an alternative  
Sick of life - it sucks  
Sick and tired - and no one cares  
Sick of myself - don't wanna live  
Sick of living - I'm gonna die
