

Suicide Commando, So Many Questions

Impressions of death
the last seconds of your life
tell me what do you feel
tell me what do you see do you see
the light the light of eternity
or is it just darkness
purgatory in hell Is there
a heaven Or is it just the hell
Is there a god to believe in
Or is it just the devil
So many questions
stay without an answer
So many doors
stay without an entrance
Impressions of death
the last seconds of your life
tell me what do you feel
tell me what do you see
do you see the light
the light of eternity
or is it just darkness
purgatory in hell
Is there a heaven
Or is it just the hell
Is there a god to believe in
Or is it just the devil
