

# Suicide Machines, Hey

Drop It!

Hey! What's going on?  
Hey! What went wrong?  
Hey! I don't know WHY!  
Hey! I might as well try!

Well, I looked around this crazy world and  
tried to make some sense of it  
Robbed a bank and stole a car  
and tried to put some dents in it  
and, everybody's playing games  
I don't know what to make of it...  
Don't play your stupid games  
You know I don't need all that fucked up shit

No one ever told me I was gonna get older  
I turned 21 and I thought my life was over  
It took a long time to get where I'm at now  
And I'm not gonna sit around wondering how, NO!

Well I listen to your fuckin shit  
I can't make any sense of it  
cause what goes in does not come out,  
You've gotta put 2 cents in it!  
You're just a blob of fuckin jell.  
Your brain is floating out in space  
and If your brain was worth a quarter.  
I'd get twenty-six cents back as change!

No one ever told me the grass would be greener  
I've done a lot of things since the last time that I seen her  
No one ever told me it would be this way  
That's why I can't make sense out of anything I say!

My world is crumbling and I don't know what to do  
it's falling down around me cuz I'm thinkin of you!  
If we take a look at our world today,  
Are our morals on decline or have we all gone insane?

Insane  
Insane  
Insane  
Insane  
Insane  
Insane

Pick it up!

Hey! What's going on?  
Hey! What went wrong?  
Hey! I don't know WHY!  
Hey! I might as well try!
