

# Suicide Machines, Look Before You Leap

I've got a million things going round in my head  
and I've never really payed attention to what you said, no  
and now i wish that i would have said goodbye  
but it's much too late  
and all I do is give  
and all you do is take

You've got to look before you leap

Woah yeah

Take a good look at your so called friends, yeah  
Thats the company you keep  
You got words coming at you from all directions  
You got to look before you leap

Woah yeah

Take a good look at your so called friends, yeah  
thats the company you keep  
you got the words, oh yeah  
there's a lot of things that were never said  
and if we'd have grown up faster

then i would have stood up  
but i should have cut you loose a long time ago  
but its much too late

and all I do is give  
and all you do is take

You've got to look before you leap

Woah yeah

Take a good look at your so called friends, yeah  
Thats the company you keep  
You got words coming at you from all directions  
You got to look before you leap

Woah yeah

Take a good look at your so called friends, yeah  
thats the company you keep  
you got the words, oh yeah

well there never was a time when you didn't try to love me over  
never was there a time when I felt bad for you  
whenever you had the chance

the way I see it you tried to screw me over  
never was there a time when i wasn't there for you

You've got to look before you leap

Woah yeah

You've got to look before you leap

Woah yeah

You've got to look before you leap

Woah yeah

Take a good look at your so called friends, yeah  
Thats the company you keep  
You got words coming at you from all directions  
You got to look before you leap

Woah yeah

Take a good look at your so called friends, yeah  
thats the company you keep  
you got the words, oh yeah  
you got the words, oh yeah

They keep flying their flag but they're never gonna understand
