

# Suicide Machines, Punk Out

You're the only one in the world that you care about  
Makes me wanna run and hide my head  
It's hard for me to tell you how I feel  
'Cause there's nothing real  
Makes me wanna run and hide my head

God only knows what'll keep me alive  
Because everybody's turning 25  
And I haven't got a word to say to you  
Honor role when I was 13, head over heels when someone kissed me  
When I needed someone you weren't there

I'm sorry (Repeat 14 x)

Hey, hey, hey (Repeat 6 x)

You know that you scare me when you act this way  
Makes me wanna run and hide my head  
It's hard for me to tell if you're serious or if you're joking  
Makes me wanna run and hide my head

And God only knows what'll keep us from dying  
Because every time I look around I see life as a big lie  
Yeah, everybody's saying Yeah, I'm the one, yeah  
Everybody come running to me  
But that's not how it works and it never did

I'm sorry (Repeat 14 x)

You know that I'm sorry it had to be this way  
Things got fucked up, but that's okay  
I'm sorry... I'm sorry...  
You know that I'm sorry it had to be this way  
Things got fuckep up, but that's okay  
I'm sorry... I'm sorry...

Hey, hey, hey (Repeat 6 x)
