

# Sum 41, Astronaut

When I grow up  
Don't wanna be a doctor  
A lawyer or a cop  
All I want to be  
Is an Astronaut

Why can't you see?  
It's the only thing I wanna be  
Suit and tie is not for me

It's my destiny to be (to be)  
An astronaut

Astronaut, wanna be an astronaut  
An astronaut, wanna be an astronaut  
Astronaut, wanna be an astronaut  
An astronaut

Why can't you understand  
i want to take command  
of a spaceship

mom and dad,  
you gave me everything you never had  
but all i want to be  
my life long dream  
all i want to be is an

Astronaut  
wanna be an Astronaut  
an Astronaut  
wanna be an Astronaut  
an Astronaut  
wanna be an Astronaut  
Astronaut  
wanna be Astronaut  
an Astronaut  
wanna be Astronaut  
Astronaut  
wanna be Astronaut  
an Astronaut
