

# Sum 41, Crazy Amanda Bunkface

Don't know what you really got  
It's hard to stay and not pretend  
Can't make sense in what you thought  
Seems I can't comprehend  
I'm happy to be  
Only all that you see  
And I'm not one to learn, to be the same

I don't wanna hear you b\*tch no more  
I was better off a year before  
No matter how I try, I can't ignore  
Every time I think my brain is sore  
When I'm with you...

What's so hard about goodbyes  
I'm sorry I'm just not as keen  
I'm planning out a perfect life  
When I'm only nineteen  
I'm happy to be  
Only all that you see  
And I'm not one to learn, to be the same

I don't want to try and just be friends  
Nothing's gonna change my mind again  
And never hear the thoughts I had were dead  
I can't even think inside my head  
When I'm with you...

I'm in my way  
Can't you see that's the truth  
So long can't stay  
Won't you see that's the truth  
I'm in my way  
Can't you see that's the truth  
So long can't stay  
Won't you see that's the, see that's the, see that's the

Last that I could take  
because it's getting really hard to fake  
It's not like it's my problem that you're in  
But can't you just spare the lives I hate  
When I'm with you...
