

Sum 41, Summer

It's far beyond your reach
It holds a place in time
Somewhere ahead is the back of the line
I can't relate
To your mistakes
Awkwardly speaking with nothing to say

Caught up in your life
Excuses are so lame
You may be different but I'm still the same
The reasons that you thought
The attention that you caught
You say things are simple
We both know they're not

You can't let it go
Wwhhoooooaaaaa
You can't but i know
Wwhhoooooaaaaa
Wwhhoooooaaaaa
You don't even know
It's not in what you do
More in what you say
It's not in what you do
More in what you say
It's not in what you do
More in what you say
It's not in what you do
What you do

A million questions asked
The remnants of the past
You've always been denied
But I was by your side
I've always tried to
To understand you
The world's not learning from you

Wwhhoooooaaaaa
Wwhhoooooaaaaa
It's not in what you do
More in what you say
It's not in what you do
More in what you say
(Wwhhoooooaaaaa)
It's not in what you do
More in what you say
(Wwhhoooooaaaaa)
It's not in what you do
What you doooo
