Sum 41, The Hell Song (live)

Everybody's got their problems
Everybody says the same thing to you
It's just a matter how you solve them
And knowing how to change the things you've been through
I feel I've come to realize
How fast life can be compromised
Step back to see what's going on
I can't believe this happened to you
This happened to you

It's just a problem that I'm faced with
Am I not the only one who hates to stand by
Complications headed first in this line
With all these pictures running through my mind
Knowing endless
Consequences
I feel so useless in this
Get back, step back and as for me
I can't believe

Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
Anymore

Everybody's got their problems
Everybody says the same thing to you
It's just a matter how you solve them
But what else are we supposed to do

Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
(Anymore)
Why do things that matter the most
Never end up being our choice
(Anymore)
Now that I find out it ain't so bad
I don't think I knew what I had
(Anymore)
Why do things that matter the most
Never end up being our choice
(Anymore)
Now that I find out it ain't so bad
I don't think I knew what I had
