

# Sum 41, This Is Goodbye

Take a look around you  
Consequence surrounds you  
I would cross my heart and hope to die.  
You should thank your lucky stars, and  
Count your fading scars, cause  
No one said you had to live a lie.

Too late my friend, it's over (memories broken)  
Nice to know ya',  
Guess that means this is goodbye.

Days will come and go by,  
You will never know why  
You're the victim of your own denial.  
You took the vow of contradiction  
Bow by lies and fiction  
Holding onto nothing all the while.

Too late my friend, it's over (memories broken)  
Nice to know ya',  
Guess that means this is goodbye.

This is goodbye.  
So nice to know ya'.  
Time has come and gone,  
This is goodbye.  
This is goodbye.  
So nice to know ya'.  
Time has come and gone,  
This is goodbye.

Guess that means this is goodbye.

This is goodbye.  
So nice to know ya'.  
Time has come and gone,  
This is goodbye.  
This is goodbye.  
So nice to know ya'.  
Time has come and gone,  
This is goodbye.
