

# Sum Less Than, So Long Goodbye

A time passes by, direction unknown  
You've left us now but we're not alone  
Before you know it your cups overflow  
You measured no one that I've ever known

And it's quite alright  
And goodbye for now  
Just look up to the stars  
And believe who you are  
Cause it's quite alright  
And so long, goodbye

We always knew that it'd come to this  
It's times like these i forget what i miss  
Matters of heart are hard to address  
Especially when yours is full of emptiness

And it's quite alright  
And goodbye for now  
Just look up to the stars  
And believe who you are  
Cause it's quite alright  
And so long, goodbye

A time passes by, direction unknown  
You've left us now but we're not alone  
Before you know your the cups overflow  
You measured no one that I've ever known

And it's quite alright  
And goodbye for now  
Just look up to the stars  
And believe who you are  
Cause it's quite alright  
And so long, goodbye.
