

# Sun Kil Moon, Convenient Parking

Soon the chain reaction started in the parking lot  
Waiting to bleed on the big streets  
That bleed out on the highways and  
Off to others cities built to store and  
Sell these rocks  
Well aren't you feeling real dirty  
Sitting in the parking lot

Soon the chain reaction started in the parking lot  
Waiting to bleed on the big streets  
That bleed out on the highways and  
Off to other cities built to make and  
Store these rocks

Convenient parking (is way back, way back)
