

# Sun Kil Moon, Exit Does Not Exist

Does not Exist, Take an Exit  
I hear voices insinuating  
Feeds me words to this song that I am saying  
Sunlight 7:20 PM, early September  
Standing looking at a photograph  
you do not remember  
You look out of breath, and me like I am faking  
As a matter of fact I don't recall this being taken  
You don't actually exist so I start shaking  
Does not exist, take an exit
