

Sun Kil Moon, Exit Does Not Exist

Does not Exist, Take an Exit

I hear voices insinuating

Feeds me words to this song that I am saying

Sunlight 7:20 PM, early September

Standing looking at a photograph

you do not remember

You look out of breath, and me like I am faking

As a matter of fact I don't recall this being taken

You don't actually exist so I start shaking

Does not exist, take an exit
