

Sun4Night, No More

Nearly one year ago, we walked hand in hand.
I've tried so much to get you back.
I looked for ways you wouldn't see.
I've tried to give you up, but I failed.

Refrain

No more tears I'll cry.
No more pain inside.
No more hurting words.
Let me see what tomorrow will be.

I don't wanna believe that love could disappear.
You pretended that you were in love with me.
But a feeling has no value without a kind of bond.
Lord, help me to accept that it's over.

Refrain 2x

No more tears I'll cry.
No more pain inside.
No more hurting words.

Interlude

Refrain 2x

No more tears I'll cry.
No more pain inside.
No more hurting words.
Let me see what tomorrow will be.
