

# Sunblock, I'll Be Ready

Won't let you out of my, Won't let you  
Won't let you out of my, Won't let you  
Won't let you out of my, Won't let you  
Won't let you, Won't let you, Won't let you

Won't let you out of my, Won't let you  
Won't let you out of my, Won't let you  
Won't let you out of my, Won't let you  
Won't let you out of my sight

Ill be ready, Ill be ready  
Never you fear, woah don't you fear  
Ill be ready, Ill be ready  
Never you fear, woah don't you fear  
Ill be ready, Ill be ready  
Never you fear, woah don't you fear  
Ill be ready, Ill be ready
