

Sunk Loto, Everything Everyway

Ha Ha!

i said here i lay, with a photograph of you and i,
because today i'm Inspired to write a song to celebrate our love.
i said so please dont change because your perfect to me,
i said so please dont change Just for the moment,

I said dont change a thing, because you beautiful in everyway,
i said dont change a thing if your beautiful in everyway,

and who you are, is who you are, and you dont have to be like
like someone else,
no magazine or any scene is gonna change the person that i am.

yeah,

i said so please dont change because your perfect to me, i said so
please dont change just for the moment,
I said dont change a thing because your beautiful in every way,
i said dont change a thing if your beautiful in everyway,
everyway, everyway, everyway, everyway, everyway, everyway.

everyway, everyway, everyway, everyway, everyway.

dont change a thing because your beautiful in everyway,
i said dont, change a thing if your beautiful in everyway.
