

SUNMI, TAIL (☐)

Look straight nto my eyes
Hold your drooping head up high

Hissing, all my nerves on Edge
Probably it began
After i calwed at you

Do ti baby
It's okay

As if having the world in your hand
Just be egoistic
Ha ha ha

What;s so happy aboout it
Where are you smirking at

Make it right
Till i die baby
Aww aww aww
Aww aww aww
