

Sunna, I'm Not Trading

I'm not trading now no I'm not,
I'm not saying now what I've got,
'Cos I can see something I would rather not,
And I can read you clear,
I can tell that,

I don't like you,
I don't like you,
I don't like you,
And I never will.

I'm not trading now no I'm not,
My gut tell me how I am,
'Cos if I let you in it might just be wrong,
So I can read you clear,
And I can tell that,

I don't like you,
I don't like you,
I don't like you,
And I never will.

Faith is going nowhere near you,
So take it home where safety's endearing,
And I will go away and knowing that,
I've rubbed shoulders without trust in mind.

I don't like you,
I don't like you,
I don't like you,
And I never will.
