

Sunny Day Real Estate, The Onlies

I Been Here For Hours
I Been Here For Days
Sleepy In Your Mind
Like A Picture All Faded From Age
This Is My Last Chance
To Say It To Your Face
But I Can't Stand
To Watch You Smiling And Turning Away

You Lead In Forehead
I Bury It Away

Do You Remember When We (x3)
Do You Remember When I Said
"You Like Him Better Than Me, Huh?" (x4)

I Ain't Been Home For Years
Now Nothing Here's The Same
I Still Hear All Those Voices
Calling Out To Play
They Leave Me Cold
Like October Wind In My Face
They Leave Me Empty
Like Nothing's Worth Living Today

You Lead In Forehead
I Bury It Away

Do You Remember When We (x3)
Do You Remember When I Said
"You Like Him Better Than Me, Huh?" (x4)
