Sunny Side Up, Never

(R. Van Brussel)
I was sitting in a dark room thinkin'
about the moments I've been tryin'
to get your pretty face out of my mind
But looking down on what I've been doin'
is never gonna stop the hurtin'
it's time for me to see the light
You're never gonna get me down
The only way to go is up
Is what I keep saying to myself
She's... never, never
never gonna get me
She's... never showing
her true feelings
She's... never, ever
never gonna get me
She's never...
You're on the verge of pouring your heart out
and all you'd like to do is scream it out loud
that there is no one else to fulfil your dreams
Once you thought that the sky was the limit
But now you cannot live without her admit it
She is outta reach so I think out loud
You're never gonna get me down
The only way to go is up
Is what I keep saying to myself
But she's...
Never gonna get me down
Never gonna get me
The only way to go is up
You're never gonna get me...
