

# Sunny Side Up, Woman (Too Light-Hearted)

Woman's covered up in silence  
man is proud and unaware  
she's chaining thoughts in meditation  
but they just seem to go nowhere  
Always taught to be the inside  
of a life that's not her own  
now she's livin' with a stranger  
but she's still alone  
And you're too light-hearted  
to believe that she's in pain  
so you guess it's just that same old feeling again  
and you never wondered  
why her eyes are on the floor  
as you lock the door... woman  
Can someone save her from her madness  
can someone free her from these chains  
will someone ever know her bad dreams  
that keep comin' round again  
it's hard to ask yourself a question  
when the answer is the same  
when all the demons hide their faces in the crowd  
and there's no one left to blame  
And you're too light-hearted  
to believe that she's in pain  
so you guess it's just that same old feeling again  
and you never wondered  
why her eyes are on the floor  
as you lock the door...  
Don't let her be misunderstood (2x)  
Solo  
..woman  
And you're too light-hearted  
to believe that she's in pain  
so you guess it's just that same old feeling again  
and you never wondered  
why her eyes are on the floor  
as you lock the door...  
oh woman... but you locked the door... too light-hearted...
