

# Sunset Black, Last Song

This is all curious  
How love will fall behind  
These consequences  
React on mind too

Thrown out  
I am  
I will realize  
Thrown out  
I am  
I will realize

If we all just climbed out  
To what you bring in me  
Changing this all  
What will we use to be

Thrown out  
I am  
I will realize  
Realize  
Thrown out  
I am  
I will realize  
Realize

You will

You will

It's so much for you  
This time  
I did it all for you  
This time
