

Sunset Rubdown, It Wouldn't Let Them Down

Its got decorations on its hips
Got decorations on its hips
Oh, the boys are going to take it all the way down.
[They cost line]

Its got strings around its hips
Its got things all under hips
Oh, the boys are going to take it all the way down.
[They cost line]

Hes got big, big fucking hands
Boys got big, big fucking hands
Oh, you betcha, oh, you betcha, oh, you betcha, he does.

And you know he breaks the other one
He is their favorite son
And hell go, and hell go, and hell go, and hell go,
So the other one comes in the morning sun
But now they all know, they all know, they all know,
He is the only one.

Hes got wings made from their backs and
Hes got things waiting out the times of attacks
Oh, the boys are going to take it all the way down.
[They cost line]

Again, hes got decorations on his hips
Got decorations on his hips
Oh, the boys are going to take it all the way down.
[They cost line]

Again,
Hes got strings made from Baghdad and
Hes got strings wings made out of rocks
Oh boy, oh boy, oh boy

Bum bum

Hold it down!
They wouldnt let them down
You, you wouldnt let them down
You, you wouldnt let us down
They wouldnt let us down
I knew you wouldnt let us down
I knew you wouldnt let us down
You, you wouldnt let us down
You, you wouldnt let us down
You, you wouldnt let us down
You, you wouldnt let us down
I knew you wouldnt let us down
I knew you wouldnt let us down
I knew you wouldnt let us down
I knew you wouldnt let us down

I knew you wouldnt let us down
You, you wouldnt let us down
I knew you wouldnt let us down
You, you wouldnt let us down.
