

# Sunset Rubdown, The Dust You Kick Up Is Too Fine

Because variables lurk in the wine  
Because the beds warm and its cold out thats good sign.  
Its never ever gonna feel right to pull the latch back again.  
Cause the dust you kick up is too fine.  
Because variables lurk in the wine  
Because the best one thats cold out has a good sign.  
Its never ever gonna feel right to pull the latch back again.  
Cause the dust you kick up is too fine.

Whaooooohh
