

# Sunshine Anderson, A Little Sunshine

Everybody needs a little sunshine, in your life  
Sometime, to brighten up your day  
Everybody needs a little sunshine, in your life  
Sometimes, if it's only but a ray

There are days when we all feel like  
We are lost in a maze, nothing's going our way  
It's just one of those days  
Can I get a witness, oh now

At some point we all need something  
Or someone to come through with a kind word or two  
Something so small can make all the difference  
In the world, that's why

Everybody needs a little sunshine, in your life  
Sometime, to brighten up your day  
Everybody needs a little sunshine, in your life  
Sometimes, if it's only but a ray  
Have you ever just needed a hug  
Or a pat on your back, feels so good to be loved  
Something so small can make all the difference  
In the world, ooh

Everybody needs a little sunshine, in your life  
Sometime, to brighten up your day  
Everybody needs a little sunshine, in your life  
Sometimes, if it's only but a ray  
Every now and then when the clouds move in  
They're somewhat overbearing  
But before you know, the sun is in control  
And into your eyes it's staring  
Everybody needs a little sunshine, in your life  
Sometime, to brighten up your day  
Everybody needs a little sunshine, in your life  
Sometimes, if it's only but a ray

Everybody needs a little sunshine, in your life  
Sometime, to brighten up your day  
Everybody needs a little sunshine, in your life  
Sometimes, if it's only but a ray

Everybody needs a little sunshine, in your life  
Sometime, to brighten up your day  
Everybody needs a little sunshine, in your life  
Sometimes, if it's only but a ray

Everybody needs a little sunshine, in your life  
Sometime, to brighten up your day  
Everybody needs a little sunshine, in your life  
Sometimes, if it's only but a ray
