

Super Deluxe, All I Wanted Was A Skateboard

All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
This stupid sweater This stupid
Every year Christmas comes and it goes
Shedding tears where no one even knows
It so hard to be good when you are poor
I don't need a lot, just a little more
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
This stupid sweater This stupid
Look around, everybody's got the goods
And I've been cheated and misunderstood
Santa's gone and messed up once again I've been good,
but I've still got nothing
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
This stupid sweater This stupid sweater This stupid
I don't want your socks or shirts or ties
All I need is four wheels so I can ride
You can stick that sweater up your ass
Every time seems to be worse than the last
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
All I wanted was a skateboard, but all I got was
This stupid sweater This stupid
This stupid sweater This stupid
Yeah!
