

# Super Furry Animals, Dacw Hi

Dacw hi, a'i gwyneb mewn poen  
There she is, her face screwed up in pain  
Mae hi newydd gael ei phigo gan byr ar ei chroen  
She's just been stung by a bee on her skin  
Mae'n gafael mewn papur cyfagos a'i daro ar y wal  
She picks up a rolled newspaper then hits the wall  
Mae'n gadael gwennynen ar ?ydd yn sicr wedi ei dal  
Revealing a squashed up old wasp that has definitely been caught

Mae hi'n ddoniol  
She's so funny  
(Mae hi'n ddoniol)  
(She's so funny)  
Mae'n sylwi pob dim  
She sees everything  
(Mae'n sylwi pob dim)  
(She sees everything)  
Ac mae'n medru gweld  
And she has eyes  
Drwy gefn ei phen  
On the back of her head  
Dim dioloch i'r drefn  
No thanks to the Feds

Mae'n fore iau ac mae'n mynd i'r gwaith  
Thursday morning on her way to work  
Wrth gau ei drws mae hi'n tynnu at saith  
As she closes her door it's coming up to seven  
Wrth gau ei ch?hag yr oerni mae hi'n colli pishyn punt  
Whilst wrapping her coat from the cold she loses a pound coin  
Mae'n ei bigo o fyny yn syth cyn troi n? mewn i'r gwynt  
She picks it up with no hesitation and turns back into the wind

Mae hi'n ddoniol  
She's so funny  
(Mae hi'n ddoniol)  
(She's so funny)  
Mae'n sylwi pob dim  
She sees everything  
(Mae'n sylwi pob dim)  
(She sees everything)  
Ac mae'n medru gweld  
And she has eyes  
Drwy gefn ei phen  
On the back of her head  
Dim dioloch i'r drefn  
No thanks to the Feds

(She sees everything)  
Mae hi'n ddoniol  
She's so funny  
(Mae hi'n ddoniol)  
(She's so funny)  
Neith hi chwerthin ar ddim  
She'll laugh at nothing  
(Neith hi chwerthin ar ddim)  
(She'll laugh at nothing)

Mae hi'n ddoniol  
She's so funny  
(Mae hi'n ddoniol)

Unwaith drachefn  
Once more I guess  
Amen
