

Super Furry Animals, Sali Mali

Mae gennym gwch a hwnnw'n suddo
We've got a boat and it's sinking
Ond paid cyhuddo fi o beidio gwneud dim
But don't hide me from doing nothing
Tymhestloedd gwyllt sydd wedi ein dilyn
It's wild storms that have followed us
A does dim tir i ni gael rhedeg i ffwrdd
And there's no land to run away to
Ti'n wylo pan dwi'n chwerthin
You're crying while I'm laughing

Ond pan ddaw diwedd y byd
But when the end of the world comes
Dwisho bod hefo ti
I want to be with you
A phan ddaw'r byd i ben
And when the world comes to an end
(Dwisho bod hefo ti)
(I want to be with you)
A phan ddaw'r dilyw mawr
And when the big flood comes
Dwisho bod hefo ti
I want to be with you
A phan ddaw'r awyr i lawr
And when the sky comes down
(Dwisho bod hefo ti)
(I want to be with you)
A drwy afonydd o dan cawn nofio
And through rivers of fire we can swim
A phan ddaw'r byd i ben
And when the world comes to an end

Mae gennym ardd a honno yn gwywo
We've got a garden and it's fading
Heblaw y celyn sydd yn pigo o hyd
Except the holly that's still stinging
Mae'r drain yn ddwys a'r gwair at fy sgwyddau
The thorn is deep and the hay to my shoulders
A llafn y pladur sydd yn malu o hyd
And the blade of the scythe that is still chopping
Dwi'n wylo pan ti'n chwerthin
I'm crying while you're laughing

Ond pan ddaw diwedd y byd
But when the end of the world comes
Dwisho bod hefo ti
I want to be with you
A phan ddaw'r byd i ben
And when the world comes to an end
(Dwisho bod hefo ti)
(I want to be with you)
A phan ddaw'r dilyw mawr
And when the big flood comes
Dwisho bod hefo ti
I want to be with you
A phan ddaw'r awyr i lawr
And when the sky comes down
(Dwisho bod hefo ti)
(I want to be with you)
A drwy afonydd o dan cawn nofio
And we can swim through rivers of fire
A phan ddaw'r byd i ben
And when the world comes to an end
