

Superbus, Shake

Saturday night I gotta get you on the phone
If you're gonna do the dirty, don't do it on your own
Let the devil have his fun, don't let him have your soul
There's a cure for this madness and they call it "Rock'n Roll";

One two three four!

Shake with me, ooh
Shake with me baby!
Shake with me, ooh
Shake with me baby!
We're gonna shake
Shake shake
Shake with me, ooh
Shake with me baby
Baby I'm hot as hell!

I'll be your Cadillac
And I'll teach you how to drive
I'll be your Frankenstein if you'll be my teenage bride
My daddy was a killer and he taught me how to ride
He said "Straight ahead to heaven, and move from side to side";

Shake with me, ooh
Shake with me baby !
Shake with me, ooh
Shake with me baby!
We're gonna shake
Shake shake
Shake with me, ooh
Shake with me baby
Baby I'm hot as hell!

Shake with me, ooh
Shake with me baby!
Shake with me, ooh
Shake with me baby!
We're gonna shake
Shake shake
Shake with me, ooh
Shake with me baby
Baby I'm hot as hell!

Shake with me, ooh
Shake with me baby!
Shake with me, ooh
Shake with me baby!
We're gonna shake
Shake shake
Shake with me, ooh
Shake with me baby
Baby I'm hot
Baby I'm hot
I said baby I'm hot as hell!
