Superchic(k), Barlow Girls (Space Monkey Lab M

We met these sisters Barlow's their last name Ordinary girls they don't live in the fast lane They don't rate with the guys that score Cause they don't flaunt what the boys want more They don't date they won't date They wanna see how they're gonna grow up Who they're gonna be But in the meantime they might feel unloved When all the girls around them are hooking up But I know for sure it's never popular to be pure And while some guys might be passing them by I think they've caught someone's eye

[CHORUS]

All the boys in the band want a valentine from a Barlow Girl Boys think they're the bomb Cause they remind them of their mom [Repeat]

Everyone needs to be loved Everyone needs their own teenage fan club Any attention can feel like a good thing Dress to impress can be oh so tempting You can get noticed with your body Sexual hypnosis by being hottie You might feel like public property You might feel like public property You might you might you shouldn't be No girl should feel she has to trade Her body for love or be an old maid And yes there are guys who are willing to wait Ask a Barlow girl on her wedding day

[Chorus]

[Rap by KJ-52]

Excuse me Barlow Girls Now their is somthin' on my mind See I was just wonderin' Can I get a valentine? Saw you walkin' by And somethin' caught my eye Their is somethin' different 'bout you girls Alright, i can't lie Now you got it goin' on And all the guys in the band They be sayin' you're the bomb But not from how ya dress or the clothes you're putin' on We just look impressed for reason that you're holdin' onto your wedding night Alright, now let me keep it movin' on Cause any girl can be a Barlow Girl It's more thn just a song Am I wrong? Don't think so So spare me the drama You remind me of my mama

[Chorus]
