

# Superchic(k), One Girl Revolution (Mob-Action Mix)

[chorus]

And I'll be everything  
that I wanna be  
I am confidence in insecurity  
I am a voice yet waiting to be heard  
I'll shoot the shot bang that you hear round the world

(And) I'm a one girl revolution [x3]

I wear a disguise I'm just your average jane  
the super doesn't stand for model  
but that doesn't mean I'm plain  
if all you see is how I look you missed the superchick within  
and I christen you Titanic underestimate and swim

[chorus]

Some people see the revolution  
but most only see the girl  
I can lose my hard earned freedom if my fear defines my world  
I declare my independence from the critics and their stones  
I can find my revolution I can learn to stand alone

[chorus]

Comin out the underground, straight from the top  
Where my beats drop, never gonna stop til I take part  
Never lookin back, never lettin go  
Rippin that flow cuz you know I'm unmatched from the get go  
How you gonna act when the chips stack  
When you know you can't go back  
How you gonna handle that?  
When they say that you not up to size, then ya gotta realize...

[chorus]
