

# Superchic, Stand In The Rain

She never slows down.

She doesn't know why but she knows that when she's all alone, feels like its all coming down

She won't turn around

The shadows are long and she fears if she cries that first tear, the tears will not stop raining down

[CHORUS]

So stand in the rain

Stand your ground

Stand up when it's all crashing down

You stand through the pain

You won't drown

And one day, whats lost can be found

You stand in the rain

She won't make a sound

Alone in this fight with herself and the fears whispering if she stands she'll fall down

She wants to be found

The only way out is through everything she's running from wants to give up and lie down.

[CHORUS]

So stand in the rain

Stand your ground

Stand up when it's all crashing down

You stand through the pain

You won't drown

And one day, whats lost can be found

You stand in the rain

So stand in the rain

Stand your ground

Stand up when it's all crashing down

Stand through the pain

You won't drown

And one day, whats lost can be found

[CHORUS]

So stand in the rain

Stand your ground

Stand up when it's all crashing down

You stand through the pain

You won't drown

And one day, whats lost can be found

You stand in the rain
