

Superchick, Barlow Girls (Space Monkey Lab Mix)

We met these sisters Barlow's their last name
Ordinary girls they don't live in the fast lane
They don't rate with the guys that score
Cause they don't flaunt what the boys want more
They don't date they won't date
They wanna see how they're gonna grow up
Who they're gonna be
But in the meantime they might feel unloved
When all the girls around them are hooking up
But I know for sure it's never popular to be pure
And while some guys might be passing them by
I think they've caught someone's eye

[CHORUS]

All the boys in the band want a valentine from a Barlow Girl
Boys think they're the bomb
Cause they remind them of their mom [Repeat]
Everyone needs to be loved
Everyone needs their own teenage fan club
Any attention can feel like a good thing
Dress to impress can be oh so tempting
You can get noticed with your body
Sexual hypnosis by being hottie
You might feel like public property
You might you might you shouldn't be
No girl should feel she has to trade
Her body for love or be an old maid
And yes there are guys who are willing to wait
Ask a Barlow girl on her wedding day

[Chorus]

[Rap by KJ-52]

Excuse me Barlow Girls
Now their is somthin' on my mind
See I was just wonderin'
Can I get a valentine?
Saw you walkin' by
And somethin' caught my eye
Their is somethin' different 'bout you girls
Alright, i can't lie
Now you got it goin' on
And all the guys in the band
They be sayin' you're the bomb
But not from how ya dress or the clothes you're putin' on
We just look impressed for reason that you're holdin' onto your wedding night
Alright, now let me keep it movin' on
Cause any girl can be a Barlow Girl
It's more thn just a song
Am I wrong?
Don't think so
So spare me the drama
You remind me of my mama

[Chorus]
