

# Superchick, Barlow Girls (Space Monkey Lab Mix)

We met these sisters Barlow's their last name  
Ordinary girls they don't live in the fast lane  
They don't rate with the guys that score  
Cause they don't flaunt what the boys want more  
They don't date they won't date  
They wanna see how they're gonna grow up  
Who they're gonna be  
But in the meantime they might feel unloved  
When all the girls around them are hooking up  
But I know for sure it's never popular to be pure  
And while some guys might be passing them by  
I think they've caught someone's eye

[CHORUS]

All the boys in the band want a valentine from a Barlow Girl  
Boys think they're the bomb  
Cause they remind them of their mom [Repeat]  
Everyone needs to be loved  
Everyone needs their own teenage fan club  
Any attention can feel like a good thing  
Dress to impress can be oh so tempting  
You can get noticed with your body  
Sexual hypnosis by being hottie  
You might feel like public property  
You might you might you shouldn't be  
No girl should feel she has to trade  
Her body for love or be an old maid  
And yes there are guys who are willing to wait  
Ask a Barlow girl on her wedding day

[Chorus]

[Rap by KJ-52]

Excuse me Barlow Girls  
Now their is somthin' on my mind  
See I was just wonderin'  
Can I get a valentine?  
Saw you walkin' by  
And somethin' caught my eye  
Their is somethin' different 'bout you girls  
Alright, i can't lie  
Now you got it goin' on  
And all the guys in the band  
They be sayin' you're the bomb  
But not from how ya dress or the clothes you're putin' on  
We just look impressed for reason that you're holdin' onto your wedding night  
Alright, now let me keep it movin' on  
Cause any girl can be a Barlow Girl  
It's more thn just a song  
Am I wrong?  
Don't think so  
So spare me the drama  
You remind me of my mama  
[Chorus]
