

Superchick, Get Up (Heelside Mix)

I'm not afraid to fall
it means i climbed up high
to fall is not to fail
you fail when you don't try
not afraid to fall
i might just learn to fly and
i will spread these wings of mine

Chorus:

If i get up i might fall back down again
so let's get up come on
If i get up i might fall back down again
we get up anyway
If i get up i might fall back down again
so let's get up come on
If i get up i might fall back down again
I might fall back down again
We'll just jump and see, even if it's the 20th time
we'll just jump and see if we can fly

I'm not afraid to fall
and here i told you so
don't want to rock the boat
but i just had to know
just a greener side
or can i touch the sky
but either way i will have tried

If i get up i might fall back down again
so let's get up come on
If i get up i might fall back down again
we get up anyway
If i get up i might fall back down again
so let's get up come on
If i get up i might fall back down again
I might fall back down again

i'm not afraid to fall
I've fallen many times
they laughed when i fell down
but i have dared to climb
I'm not afraid to fall
i know i'll fall again
but i will win this in the end

If i get up i might fall back down again
so let's get up come on
If i get up i might fall back down again
we get up anyway
If i get up i might fall back down again
so let's get up come on
If i get up i might fall back down again
I might fall back down again

Get Up x2

If i get up i might fall back down again
so let's get up come on
If i get up i might fall back down again
we get up anyway x2

If i get up i might fall back down again
so let's get up come on

If i get up i might fall back down again
we get up anyway
If i get up i might fall back down again
so let's get up come on
If i get up i might fall back down again
I might fall back down again

mmm That's for you Max

If i get up i might fall back down again
so let's get up come on
If i get up i might fall back down again
And I might fall back down
