

Superchick, Wonder If She'll Get It

Dear diary

I saw this guy at the show

He was singing to me

At least I think so

All the world around me stopped when he said Hi whats up baby

He's the perfect guy

His hair, his eyes, oh, I love his smile

When he opened the door

Knew he was worthwhile

He looked so good standing right next to me

So beautiful I know our children will be

This time I know it's true love

He is the one that I've been waiting for

I promise to love him forevermore

I've waited my whole life for the day I am his

I just know he's the

Wonder what his name is

Dear diary

Today I found a new guy

With a movie star face and the perfect lines

Knight in shining armor

Hero to rescue me

He'll be so romantic just like in the movies

He'll play the roll of a boyfriend for me

like in "Here on Earth" with LeeLee Sobieski

There's just one problem something I might have missed

He's a movie star he doesn't know I exist

This time I know it's true love

Dear diary

I thought my dreams had come true

Last week I found the one to give my heart to

Told all my friends about him, even tried his last name

Didn't see that to him it was all just a game

He seemed so nice, I've known him for a whole week

But my friends didn't like him, didn't know him like me

No more crushes or rushes, learn to be satisfied

With being single again - wait who's that guy

You are cute!
