

Superdrag, Bright Pavilions

bah bah dum bah.
to breathe in bright pavilions
in that lighter air.
organisms perish by the millions
when you're there.
organisms perish by the millions
in your hair.

when you dare me to,
i do. i do.
love each of you.
i do. i do.

bah bah dum bah.
you lay in state beside the one
you're thinking of.
lie and wait in altered states inside
the story of
. the organism cherished by the one
you're thinking of.

when you dare me to,
i do. i do.
love each of you.
i do. i do. i do. i do.
love each of you.
i do. i do.
