## Superdrag, The Emotional Kind

she's just the emotional kind but the way that she kiss drive me out of my mind she's just a beautiful girl i swear she takes me away from the world

she sends vibrations all around i once was lost but now am found communicates without a sound sometimes i quake with the brake down quake with the brake down quake with the brake down quake with the brake down

she's just the girl of my dreams but i can't keep from waking as strange as that seems she shine like most people breathe if i come on agnostic she makes me believe

she send vibrations all around i once was lost but now am found communicates without a sound sometimes i quake with the brake down quake with the brake down quake with the brake down quake with the brake down

she send vibrations all around i once was lost but now am found communicates without a sound sometimes i quake with the brake down quake with the brake down quake with the brake down quake with the brake down
