

# Superdrag, Way Down Here Without You

i've got a reason to be sad.  
and i've got a reason to feel like i've been had.  
but i would give most anything. to see you smile at me again.  
i don't know (since you've gone)  
i don't know (since you've been gone) what i'm supposed to do.  
way down here without you.  
i don't know (since you've gone)  
i don't know (since you've been gone) what i'm supposed to do  
way down here without you.

i know you won't be coming home.  
and it makes me feel so afraid of the unknown.  
but i would give most anything. to see you smile at me again.  
i don't know (since you've gone)  
i don't know (since you've been gone) what i'm supposed to do  
way down here without you.  
i don't know (since you've gone)  
i don't know (since you've been gone) what i'm supposed to do  
way down here without you.

you still mean a lot to me. yeah.  
you still mean a lot to me.  
more than a memory to me. yeah.  
more than a memory to me.
