

Superdrag, Way Down Here Without You

i've got a reason to be sad.
and i've got a reason to feel like i've been had.
but i would give most anything. to see you smile at me again.
i don't know (since you've gone)
i don't know (since you've been gone) what i'm supposed to do.
way down here without you.
i don't know (since you've gone)
i don't know (since you've been gone) what i'm supposed to do
way down here without you.

i know you won't be coming home.
and it makes me feel so afraid of the unknown.
but i would give most anything. to see you smile at me again.
i don't know (since you've gone)
i don't know (since you've been gone) what i'm supposed to do
way down here without you.
i don't know (since you've gone)
i don't know (since you've been gone) what i'm supposed to do
way down here without you.

you still mean a lot to me. yeah.
you still mean a lot to me.
more than a memory to me. yeah.
more than a memory to me.
