

Superflea, 60s Style

The lip gloss on your lips
I couldn't hate it
if I wanted
I liked you hair so much tonight
it had a 60s style
baby, now that winter is gone
I wrote a summer song

I couldn't hate you
if I wanted
I love you
even if I don't try
I liked you hair so much tonight
it had a 60s style

Oh, come back from the lake!
I miss you all the time..
I just don't make sense
on my own
I need you to be around
baby, now that winter is gone
I wrote a summer song
oh, winter's gone
let's try over the summer..
