

# Superflea, Quiet, Please

Later on I'll explain myself  
there's something you don't know about me  
all I wanted was a bit of peace  
can I get some quiet, please?

It's just...after all these years...

If I have to, I'll beg and plead  
I promise I'll get on my knees  
all I wanted was a bit of help  
tell me if I have to yell

I just thought...after all these years...
