

# Supergrass, Rebel In You

A little hard to get  
But I got time for you  
Yeah it's hard to move on  
So why don't you come back?

Well I'm an intelligent guy  
But am I wasting my time?  
I try talking to you  
And I'm staring to wonder, starting to wonder

Can't save the rebel in you  
Hands down you're beautiful  
Get the feeling that you cannot move now  
Hands down you're beautiful  
Some kind of fascination  
Hands down you're beautiful, you're beautiful.

You're in the land that time forgot  
I wouldn't wait for you  
Now it's happening again  
So why don't you come back?  
(Why don't you come back?)

Oh many times you've been  
Sailing out of view  
Yeah it's always the same  
Now I'm starting to wonder, starting to wonder

You can't stop the rebel in you  
Hands down you're beautiful  
You get the feeling that you cannot move now  
Hands down you're beautiful  
Some kind of fascination  
Hands down you're beautiful, you're beautiful, oh!

You can't save the rebel in you  
Hands down you're beautiful  
Get the feeling that you cannot move now  
Hands down you're beautiful

Can't stop the rebel in you  
Hands down you're beautiful  
Get the feeling that you cannot lose now  
Hands down you're beautiful  
Some kind of fascination  
Hands down you're beautiful, you're beautiful, oh!

Oh oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh oh...
