Supergrass, Stone Free

Every day of the week I'm in But if I stay too long, people try to hold me down They talk about me like a dog Talk about the clothes I wear They don't realise, they're the ones who're square Yeah, that's right You can't hold me down I don't wanna be tied down I wanna be free, yeah I said stone free, do what I please Stone free, ride on breeze Stone free, I can't stay Got to, got to, got to get away, oh yeah

A woman here, woman there Keep me in a plastic case They don't realise, it's so easy to break Sometimes I feel my heart, I feel my heart kind of running wild I swear I've got to move before life Oh yeah, that's right You can't hold me down I don't want to be tied down I wanna be free, yeah I said stone free, do what I please Stone free, ride on breeze Stone free, I can't stay Got to, got to, got to get away, oh yeah

Stone free, do what I please Stone free, ride on breeze Stone free, I can't stay Stone free, got to, got to get away, Stone free Oh yes, stone free Stone free, ride on breeze Stone free
