

# Supergrass, You'll Never Walk Again

Come and have a go if you think you're hard enough.  
Cause you're gonna get your fucking heads kicked in.  
Come and have a go if you think you're hard enough.  
Cause you're going home in a foreign ambulance.  
You'll never walk again.  
You'll never walk again.

Come and have a go if you think you're hard enough.  
Cause you're gonna get your fucking heads kicked in.  
Come and have a go if you think you're hard enough.  
Cause you're going home in a foreign ambulance.

If you think your hard enough.  
You'll get your heads kicked in.
