

Supergroove, Don't Look Down

Got a head on my shoulders, got to land on my feet
Got a mouth under my nose, got to keep from falling asleep
Keeping out of trouble, keeping foot from mouth
Talking about the weather, talking to myself

She's on the other side, can't see my boots they're shaking
Did I rip my heart out and put it on your plate
You must've been mistaken
Head it starts to roll, fingers start to sweat
You think you've seen it all but
You ain't seen nothing yet

Mouth gets me in trouble
Mouth it gets me out
Mouth gets me in deeper
Mouth it starts to shout

Don't
Look
Now
Listen to my heartbeat
Don't
Look
Down

Looking in the mirror, like looking down a hole
Looking for some problem, to satisfy my soul
I might be a geek, but that's the way things go
I might be a psycho, but she doesn't seem to know

He came from out of nowhere, on a shining stallion
Underneath his ruffles, a hairy gold medallion
His charming smile drips, and pretty soon she's drenched
She's watching him watching her body, as they flirt in Pigeon-French
Hand on shoulder, lips on throat, I don't know if they know
He puts his arm around her waist, forgets his coat & then they go

Don't
Look
Now
Listen to my heartbeat.
Don't
Look
Down

Mouth it starts to shout
Heart it starts to beat
Got a head on my shoulders
Got to (gotta gotta) land on my feet

Mouth it starts to shout
Heart it starts to beat
Got a head on my shoulders
Got to (gotta gotta) land on my feet

Don't look now (Listen to my heartbeat)
Don't look down (Listen to my heartbeat)
