

Supergroove, For Whatever Reason

For whatever reason
I can't seem to find
I got to keep believin'
You don't mean it when you hurt me and if you loved me
For whatever reason
I could be pleasing you, you could be deceiving me

So what are you doing on Friday?
Well how about Saturday?
Do you get a break?
Maybe we could have coffee?
Oh you can't get away
Well that's alright
I hope you have a good day
and good night

For whatever reason
I can't seem to find
I got to keep believin'
You don't mean it when you hurt me and if you loved me
For whatever reason
I could be pleasing you, you could be deceiving me

Can I take you out to dinner?
You won't have to pay
To the place where I first met you.
Come on baby what you say?
"Yes I'd really like to, but maybe some other time
I'm really gonna miss you, now please get off the line."

And I'd love you more, more, more
And I'd want you more, more, more
And I'd need you more, more, more
And I'd love you more, more, more...

For whatever reason
I can't seem to find
I got to keep believin'
You don't mean it when you hurt me and if you loved me
For whatever reason
I could be pleasing you, you could be deceiving me

It's always nice to see you, still pushing me away
Even for a moment, just to hear you say:
"Baby how are you doing? Now I must be on my way
I've got to be somewhere, but you can call me up someday...."

For whatever reason
I can't seem to find, I've got to keep believing
You don't mean it when you hurt me and if you loved me
For whatever reason
I could be pleasing you, you could be deceiving me
