

SuperHeavy, Miracle Worker

Now this one reaching out to all the lovers who might be thinking of breaking up huh,
or maybe even making up! check it.

I missed a part of you I can't get back.

Don't be a silly nilly. I'm always here for ya, through the thick and thin not just
because we argue

See I wanted to be true, but I can't do that.

why not, what's stopping you?

Don't be preposterous.

I've got a lot of love, not just a lot of lust.

If I only wasn't a fool, I'd be loving

Well that's your own opinion, and you're entitled to it.

I'll be lost in oblivion, if we don't continue through it.

There's nothing wrong with you I can't fix!

I come a runnin' with my little bag o' tricks.

In an emergency I'm very well prepared

My scalpel, mask and gloves; don't ever get too scared.

Ooohooo, you're a Miracle Worker

Ooohoo, you're a surgeon of love.

(you have a medical condition)

Ooohooo, came my way to fix me up.

And I promise I'll be back again, if you work your miracles on me.

Your mentality was fresh, it touched my soul.

Invigorating and refreshing, and interesting, and it feels right.

My heart was drowning in stress, but you brought out the best in me

Love has a tendenc, so I've been told, and so it seems like.

My love and laser will regenerate your heart.

No need for anesthetics, I'll go check your charts

I will reshape you, recast you from the mold.

A brand new beautiful woman will blossom from the old!!

Ooohooo, you're a Miracle Worker (yes you are)

Ooohoo, you're a surgeon of love

(you have a medical condition)

Ooohooo, can't wait to fix me up.

And I promise I'll be back again, if you work your miracles on me.

Ooohooo, you're a Miracle Worker.

Ooohoo, you're a surgon of love. (you have a medical condition)

Ooohooo, can't wait to fix me up.

And I promise I'll be back again, if you work your miracles on me.
