

Superheist, Down South

Backslide take a dive to the right side
And were hellbent downsouth where our summer's spent
Right time for us all to tow our line
Say do say don't chance is ya made us grow

Hit the ground on ya feet and then head downsouth
Keep your eye on the prize let it all hangout
Hit the ground on ya feet and then head downsouth
Keep your eye on the prize let it all hangout

Breakdown don't survive well in this town
And it's on me to prove where I wanna be
Catchcry the sun has burnt me dry
My place free space this is my southern town

Hit the ground on ya feet and then head downsouth
Keep your eye on the prize let it all hangout
Hit the ground on ya feet and then head downsouth
Keep your eye on the prize let it all hangout

Come save yourself, come save your
Come save yourself, come save your

I can't believe the trap I set for me, i set for me
I can't believe the trap downsouth is where I want to be
I can't believe that you don't want to come and follow me
I can't believe that you don't want to come and follow me

Hit the ground on ya feet and then head downsouth
Keep your eye on the prize let it all hangout
Hit the ground on ya feet and then head downsouth
Keep your eye on the prize let it all hangout

Come save yourself, come save your
Come save yourself, come save your

Backslide take a dive to the right side
